|--|--|--|
| 10-10 \$1.5k                           | KG6ELV<br>Lindsey A Meyer<br>120 Ocean Vista Drive<br>Soquel, CA 95073-9469                          | Lindsey is an 18 year old general class operator, going into her sophomore year at Pomona College. She is studying neuroscience with a minor in mathematics and hopes to go on for an advanced degree and focus on computer machine learning. Her academic accomplishments in high school are truly outstanding, and she is well rounded, being active in lifeguarding and athletics. She has had her license since age 8 and her interest in electronics led to winning her class in the California State Science Fair in 2005. She is active on VHF/UHF FM and HF SSB. |
| 10-10 \$1.5k                           | K0XOK<br>Kerry Manderbach<br>2308 Georgia<br>Louisiana, MO 63353                                     | Kerry is 53 and a resident of Louisiana, Missouri. He is disabled and unable to pursue his prior career. He is now pursuing a Master's Degree in Communications, at the University of Missouri, maintaining a 3.9 GPA and expecting to graduate in 2013. He is planning a new career in broadcast journalism. Kerry holds a Technician Class license and is active on 40 and 80 meter PSK-31 and VHF and UHF FM. Kerry is active in ARES and is a member of the ARRL.  |
| Anderson \$1k                          | KJ4AXB<br>Collin D Pike<br>PO Box 1099 C<br>Roanoke, AL 36274-1099                                   | Collin is 17 and holds an Extra Class license. He will be a Freshman at Faulkner University, in Montgomery, Alabama, this fall, and is planning to major in software. Collin is active on all bands, using FM, SSB, CW, DSTAR, and Packet. He is a member of ARES and the ARRL and is the Youth Hamfest Chairman for the LaGrange Amateur Radio Club in nearby LaGrange, Georgia. Collin's mother, Anna, is KD4PCU, his father, Gary, is KA4KRY and his brother, Justin, is K14AYE.  |
| Bills \$2k                             | KF5DJC<br>Jeri L Scroggins<br>905 NE 7TH<br>Wagoner, OK 74467  | Jeri is a 18-year-old Extra Class that has been very active with ham radio in high school as well as using ham radio to reach out to young people in the community. She will be pursuing a degree in radiology at Northeastern State University.   |
| CARA \$1.5k                            | KB3EZL<br>Alexandra N Houston Ludlam<br>6251 Fishers Station Road<br>PO Box 429<br>Lothian, MD 20711 | Alexandra is a 20 year old resident of Lothian, MD. She holds a Technician class license and will be a junior at the University of Maryland, College Park. She is majoring in psychology, maintains a 4.0 grade point average, and plans to go on for MS and PhD in clinical psychology. She has held a ham license since the year 2000, is active on HF and VHF, and is proud to have participated in every field day from 2000 to 2009. She is a previous winner of the CARA scholarship.  |
| Chichester \$2k                        | KC2YZN<br>Andrew K. Deutchman<br>25 Moss Ave.<br>Westfield, NJ 07090                                 | Andrew is 19 and holds a Technician Class license. He will be a Sophomore at Stevens Institute of Technology in Hoboken, NJ. He is pursuing a dual major in Electrical and Mechanical Engineering with an eye toward a career developing alternate forms of energy. He is active on HF CW and VHF/UHF SSB and FM. Alex is an Eagle Scout and is very active in Scouting. His father, Eric, is WB2LMU, his mother, Linda, is KB2HAL and his grandfather, Frank, is WB2IQ.   |
| FAR Silent Key \$5k                    | K5TDN<br>Tyler D Nicholas<br>323 E Marie Dr.<br>Stillwater, OK 74075                                 | Tyler is a 19-year-old Extra Class ham enrolled at Oklahoma State University. He is pursuing a degree in Management Science and Information Systems, with plans for a career in IT and computer security. Ultimately, he would like to own his own business. Tyler is active on the HF and VHF/UHF bands using SSB, CW, FM and digital modes. He is a member of four radio clubs, including the Oklahoma State University radio club. He is an active volunteer at the community center in Stillwater, OK.   |
| FAR Silent Key \$5k                    | KC2SPY<br>Timothy M. Kelley<br>664 Treasure Creek<br>Webstre, NY 14580                               | Max is a 17-year-old Extra Class who will be a freshman at Rochester Institute of Technology majoring in electrical engineering. He is very active on the HF, VHF, and HF bands, using SSB, Packet, RTTY, and the P25 digital mode. Max was Treasurer and President of his high school radio club and is a member of both the Rochester DX Association and RARA. He participates in ARES and is a member of the ARRL. Max's father, Timothy, is KC2WE7.  |
| Free State \$1,000;<br>QCWA \$1k       | W4KTF<br>Kyle T Fox<br>5665 Pignut Mountain Dr<br>Warenton, VA 20187-7165                            | Kyle is 20 and is a senior at Cedarville University, studying electrical engineering. He holds an Amateur Extra license and has constructed an APRS tracking system for a weather balloon. He is active in contesting and participates in Field Day activities.  |
| Murgas \$500;<br>Phil-Mont King \$1.5k | W3EGL<br>Robert P Hoops<br>110 Berkeley Dr<br>Watsontown, PA 17777                                   | Robert is 20 and entering his junior year at Rochester Institute of Technology, where he is majoring in electrical engineering. He holds a General Class license and is active in ARES/RACES in addition to supporting public service events.  |
| Nanticoke \$1k                         | KJ4IWX<br>Jason S. Harris<br>2024 Carolina Road<br>Chesapeake, VA 23322                              | Jason, 17, is a freshman in the college transfer program at Tidewater Community College pursuing a Bachelor Degree in engineering. In addition to the Amateur Extra License, Jason holds the General Radiotelephone Operator License with Ship Radar Endorsement, as well as several computer certifications. He is an active member of his local club, the Chesapeake Amateur Radio Service, where he is a license class instructor and the networking specialist at Field Day.   |
| Norrie \$2.5k;<br>True \$1k            | KD8CDC<br>Jacob W Wagner<br>3590 Spencer Rd<br>Rocky River, OH 44116                                 | Jacob is a 21-year-old Extra Class student at Case Western Reserve University majoring in polymer science, engineering, chemistry and physics. He has received honors in the area of chemistry and engineering.  |
| Ozaukee \$1k                           | KC9KIR<br>Natalie J Harding<br>7630 335th Ave<br>Burlington, WI 53105                                | Natalie holds a Technician Class license and is a graduate student at the New Mexico State University, majoring in physical anthropology. Her undergraduate degree was obtained at the University of Wisconsin. Natalie's mother, Valerie, is NV9L, and her father, Robert, is NU9T. Natalie is primarily active on VHF FM, operating from her mobile rig.   |
| Perdue \$2k;<br>10-10 \$1.5k           | W5MGZ<br>Megan C. Albertson<br>118 Halifax Road<br>Easley, SC 29642                                  | Megan is 18 years old, and a freshman at Converse College, majoring in Music Education. Megan holds a General class license and is an avid "county" hunter. Megan is also a talented pianist, and very active in school and church music groups, public service, and education and teaching clubs.   |
| Phil-Mont Madara \$1.5k                | W3CJB<br>Caitlin J. Brady<br>5 Yale Road<br>Plymouth Meeting, PA 19462                               | Caitlin is 17 and plans to begin her studies toward a degree in architecture at Drexel University, in Philadelphia. She holds a Technician Class license and is a very active ham, participating in public service events and operation both VHF/UHF and HF (with her dad as control op)! Her father (N3CB), mother (KA3VIL), and sister (W3HEB) are all licensed.   |
| Phil-Mont Haring \$2k                  | KB3HUG<br>William D Chimel<br>804 Laconia Circle<br>Clarks Summit, PA 18411                          | William is 20 and will be a junior at Penn State University, majoring in information technology. He holds a Technician license and is interesting particularly in digital modes of communication.  |
| QCWA \$1k                              | N4NJJ<br>William P. Freeman<br>PMB 2564<br>4450 Rivanna River Way<br>Fairfax, Virginia 22030         | Paul is 18 and holds a General Class license. He will be a Freshman at George Mason University, planning to major in Government and International Politics, with a minor in Music. Paul would like to pursue a career in teaching and is also considering law school. He is active on VHF/UHF FM and ATV. Paul is the PIO and newsletter editor for the Lancaster ARC and is net control for the weekly net sponsored by the Tonawanda Amateur Radio Association.  |
| QCWA \$1k                              | K1RJG<br>Robert J Giuliani<br>26 Thompson St<br>Shelton, CT 06484                                    | Robert is a junior majoring in Health Studies at the University of Hartford where he has been on the Dean's List every semester of his college career. He is a General Class licensee and a member of the Stratford Amateur Radio Club where he participates in Field Day. Robert is an Eagle Scout and a member of the University of Hartford's track and cross country teams. Robert is recommended by QCWA member #6761, Betsy Deane K1EJC.   |

| QCWA \$1k                                  | KC9SNY<br>Matthew W Polsgrove<br>591 Roosevelt Court<br>Grayslake IL 60030    | Matthew is 17 and a recent graduate of Grayslake Central High School. He will be attending the University of Illinois in the Fall, majoring in electrical engineering. He holds a Technician class amateur radio license from the FCC which relates to his <u>interest in technology and electronics.</u>   |
| QCWA \$1k                                  | KI6KYP<br>Andrew Renwick<br>4117 Huckleberry Ln.<br>Concord, CA 94521-2733    | Andrew is 18 and a student at the University of California, Davis, majoring in aerospace and mechanical engineering. He holds a General class amateur radio license from the FCC. His interest in amateur radio is broad and he especially enjoys <u>long distance (DX) communications. He is also a California Regents Scholar.</u>  |
| QCWA \$1k                                  | KB1LQD<br>Brenton J Salmi<br>12 Carriage Dr<br>Chelmsford, MA 01824           | Brenton is 21 and currently a student at the Rochester Institute of Technology where he is majoring in electrical engineering. He holds a General class amateur radio license from the FCC. He has a broad interest in amateur radio, including digital <u>communications. He is also an avid mountain cyclist and a drummer.</u>   |
| QCWA \$1k                                  | KJ4PLS<br>James W Schwoebel<br>95 Inland Circle<br>Newnan, GA 30263           | James is 19 and a student at Georgia Institute of Technology majoring in biomedical engineering and biochemistry. He holds a General class amateur radio license from the FCC and he enjoys contesting as well as the technical aspects of amateur radio.   |
| QCWA Baird \$2k;<br>Ocala Friendship \$300 | KC8IOY<br>Stephen T Simpson<br>8400 Nw 115th Ave<br>Ocala, FL 34482-1014      | Stephen is 21 years old, from Ocala, FL, and a graduate student at the University of Florida Gainesville majoring in Electrical and Computer Engineering. Stephen holds an Extra class license and enjoys digital modes and satellite communications. Stephen <u>was recommended for the 10-10 scholarship by Gerald Gross, WA6P07.</u>   |
| QCWA Burke \$1k                            | KCOQIO<br>Jack H. Short<br>9700 N Virginia<br>Kansas City, MO 64155           | Jack is 24 and a third year student at the University of Missouri School of Medicine. Jack holds a Technician Class license, enjoys Field Day and has been active with several Kansas City area clubs. Jack is recommended by QCWA member # 22695, Dale Huffington AEØS.  |
| QCWA Doughty \$1k;<br>Weller \$1k          | KCOYLD<br>Alex A Brech<br>32 N Forman Rd<br>Currie, MN 56123                  | Alex is 22 years old, and a senior at the South Dakota School of Mines majoring in Computer Engineering. Alex holds an Extra class license and is a member of ARRL. Alex is also a volunteer examiner and president of the SD School of Mines amateur radio club. Alex was recommended for the Chichester scholarship by Gary Peterson, <u>KØCY of the Black Hills ABC, an ARRL-affiliated club.</u>  |
| QCWA Hasslinger \$3k                       | KC2PMW<br>Andrew J. Furlong<br>26 S. Childs St.<br>Woodbury, NJ /08096        | Andrew is 17 and will be a Freshman at Lafayette College in Easton, PA. He plans to major in electrical engineering, with an eye toward a career in circuit design. Paul holds an Extra Class license and is active on HF SSB and digital modes and VHF/UHF FM. <u>He is a member of the Phil-Mont Mable Radio Club. His father, John, is KC2IIT.</u>   |
| QCWA Jacobson-Keller \$1k;<br>YLRL \$1.5k  | KC2LR<br>Lauren A Rice<br>4452 Ashfield Terrace<br>Syracuse, NY 13215         | Lauren is 19 years old, and a junior at Cornell majoring in Biological Sciences with a minor in Electrical Engineering. Lauren holds an Extra class license, participates in public service events and contests, and enjoys RTTY. Lauren was recommended for the QCWA scholarship by James Mozley, W2BCH.   |
| QCWA Meyerson \$1k;<br>RCA \$1k            | KG6ECE<br>Frederick J Meyer<br>120 Ocean Vista Drive<br>Soquel, CA 95073-9469 | Frederick is 19, lives in Soquel, California and plans to enter UC Berkley in the fall. Having gained a first hand knowledge of practical electronics in the course building home brew radio projects, Frederick plans to major in Electrical Engineering and Computer Science. He holds a General Class license and is active on all bands and <u>modes using the family ham shack. His mother, father, and sister are also hams.</u>  |
| QCWA Randles \$1k;<br>Old Old Timers \$1k  | KC2NSA<br>Stephanie Schaefer<br>10 Richard Rd.<br>Binghamton, NY 13901        | Stephanie is a 22 year old who will be enrolling in a Master's program in special education at the University of Scranton in the fall. She graduated from Marywood University in 2010 with a degree in elementary education (mathematics and music), and is completing a certificate in teaching English to speakers of other languages at Drexel University. She holds a general class license and is active on HF SSB and enjoys meeting new people over the air and emergency communications. She won a QCWA scholarship in 2010. She was recommended for the QCWA scholarship by <u>William Thompson, W2MFA, and for the QOTC by Robert F. Carrott, NV2P.</u> |
| QCWA Smith \$1k;<br>RCA \$1k               | KB1LQC<br>Bryce Salmi<br>12 Carriage Dr<br>Chelmsford, MA 01824               | Bryce is 21 and holds an Amateur Extra class license. He is a senior at the Rochester Institute of Technology (RIT), majoring in Electrical Engineering with intent to pursue a career in RF design. Bryce is Vice President of the RIT radio club and is a member of the Police Amateur Radio Team in Westford, MA. Bryce and his twin brother, Brenton, KB1LQD, are the co-founders of the College Amateur Radio Club Association. He is active on all modes on HF, VHF, and UHF. Bryce is an avid <u>mountain biker and is a musician.</u>   |
| RCA \$1k                                   | KC2RDK<br>Alexander F. Haley<br>1218 State Route 43<br>Stephentown, NY 12169  | Alexander is a 22 year old general class operator majoring in electrical engineering technology at SUNYIT in Utica, NY. He expects to graduate with a BS degree in 2012 and is particularly interested in radio communication systems. He is active on VHF/UHF FM and HF SSB, and has participated in many field days. He is a member of ARES and RACES and is active in local exercises. He has participated in amateur activity supporting the Boston Marathon and other similar events locally. He also <u>volunteers as a firefighter and ambulance driver.</u>   |
| Reville \$1k                               | AD7JL<br>Eric N Wilson<br>11637 Marihugh Place<br>Mount Vernon, WA 98273      | Eric is 19 and holds an Extra Class license. He will be a Sophomore at Walla Walla University, majoring in electrical engineering, with an eye toward a career in RF design. Eric is active on the HF and VHF/UHF bands using FM, SSB, and digital modes. His other hobbies include bicycling, singing, and playing the violin. Eric's father, Timo, is <u>N7TRU; his mother, Sharon, is KE7COZ; and his bother, Garrett, is KE7CPB.</u>  |
| Tulare \$1k                                | KG6WEN<br>Matthew R. Ferranti<br>1341 Cedar St.<br>San Carlos, CA 95070-4755  | Matthew is 17 and will be a Freshman at Stanford. He plans to major in the Physical Sciences (Chemistry and Physics) and plans to pursue a PhD with an eye toward a career as a scientist. He holds a Technician Class license. Matthew was the a writer for his high school newsletter and became its editor. He also plays piano and bass <u>clarinet. Matthew's father, Richard, is W6NIR.</u>   |
| Walker \$1k                                | AB3FX<br>Johnathan D. Mayo<br>1660 Gemini Dr.<br>Eldersburg, MD 21784         | Johnathan, 17, will be entering the Virginia Tech engineering program as a freshman with advanced standing. In addition to his outstanding academic record, he was a member of the high school FIRST robotics team and the band. Johnathan holds an <u>Extra Class license and recently achieved Worked All States (WAS) using RTTY.</u>  |
| West Allis \$1.5k                          | N9MXX<br>John L. Moder<br>5760 S. 108th St. #210<br>Hales Corners, WI 53130   | John holds an Extra Class license. He has an Associates degree from the University of Wisconsin, Fox Valley, and is presently studying for a Bachelor of Science in Information Technology Project Management at ITT Technical in Portland. He is active on HF and VHF, using SSB, CW, Packet and Digital modes. In addition to his <u>interest in ham radio, John is also an avid biker.</u>   |
| YLRL \$1.5k                                | KE5WEJ<br>Sarah E Stanley<br>5507 Westerham Pl<br>Houston, TX 77069           | Sarah is 18 and a student at the University of Houston where she majors in mathematics. She holds a Technician class amateur radio license from the FCC. She has enjoyed many aspects of amateur radio, including field day activities. Sarah also <u>teaches piano. She hopes to eventually teach at the university level.</u>   |
